

Rodriguez Family Memorial Scholarship

In memory of our beloved mother and father Haydee & Miguel, inspired by their love and compassion for family and friends; always concerned for our education in our home, church and community, we offer \$500 scholarships to deserving St. Domitilla youths entering high school, college or university.

Applications will be considered based on letters of recommendations, attesting to the applicant's deserving character & commitment to succeed from:

Parents or Legal Guardians attesting to the character and purposeful use of the scholarship

Teacher or Civic Leader's recommendation, attesting to the youth's community service

Special consideration will be given to applicants demonstrating past or present service, helping other youth's thru church, community or causes that promote all of the above qualities and purpose.

We invite the St. Domitilla Parishioners to support and promote the Rodriguez Family Memorial Scholarship Fund to continue thru future fundraisers and outreach to those who agree with the goals of developing a bright future for our children- we pray this will continue thru our combined efforts.
